# Overview

- Service Discovery
- Ingress (Routing Mesh)
- Recap

# Service Discovery

---

# Assumptions

**You know the basics of microservices**

**You know the basics of overlay networks**

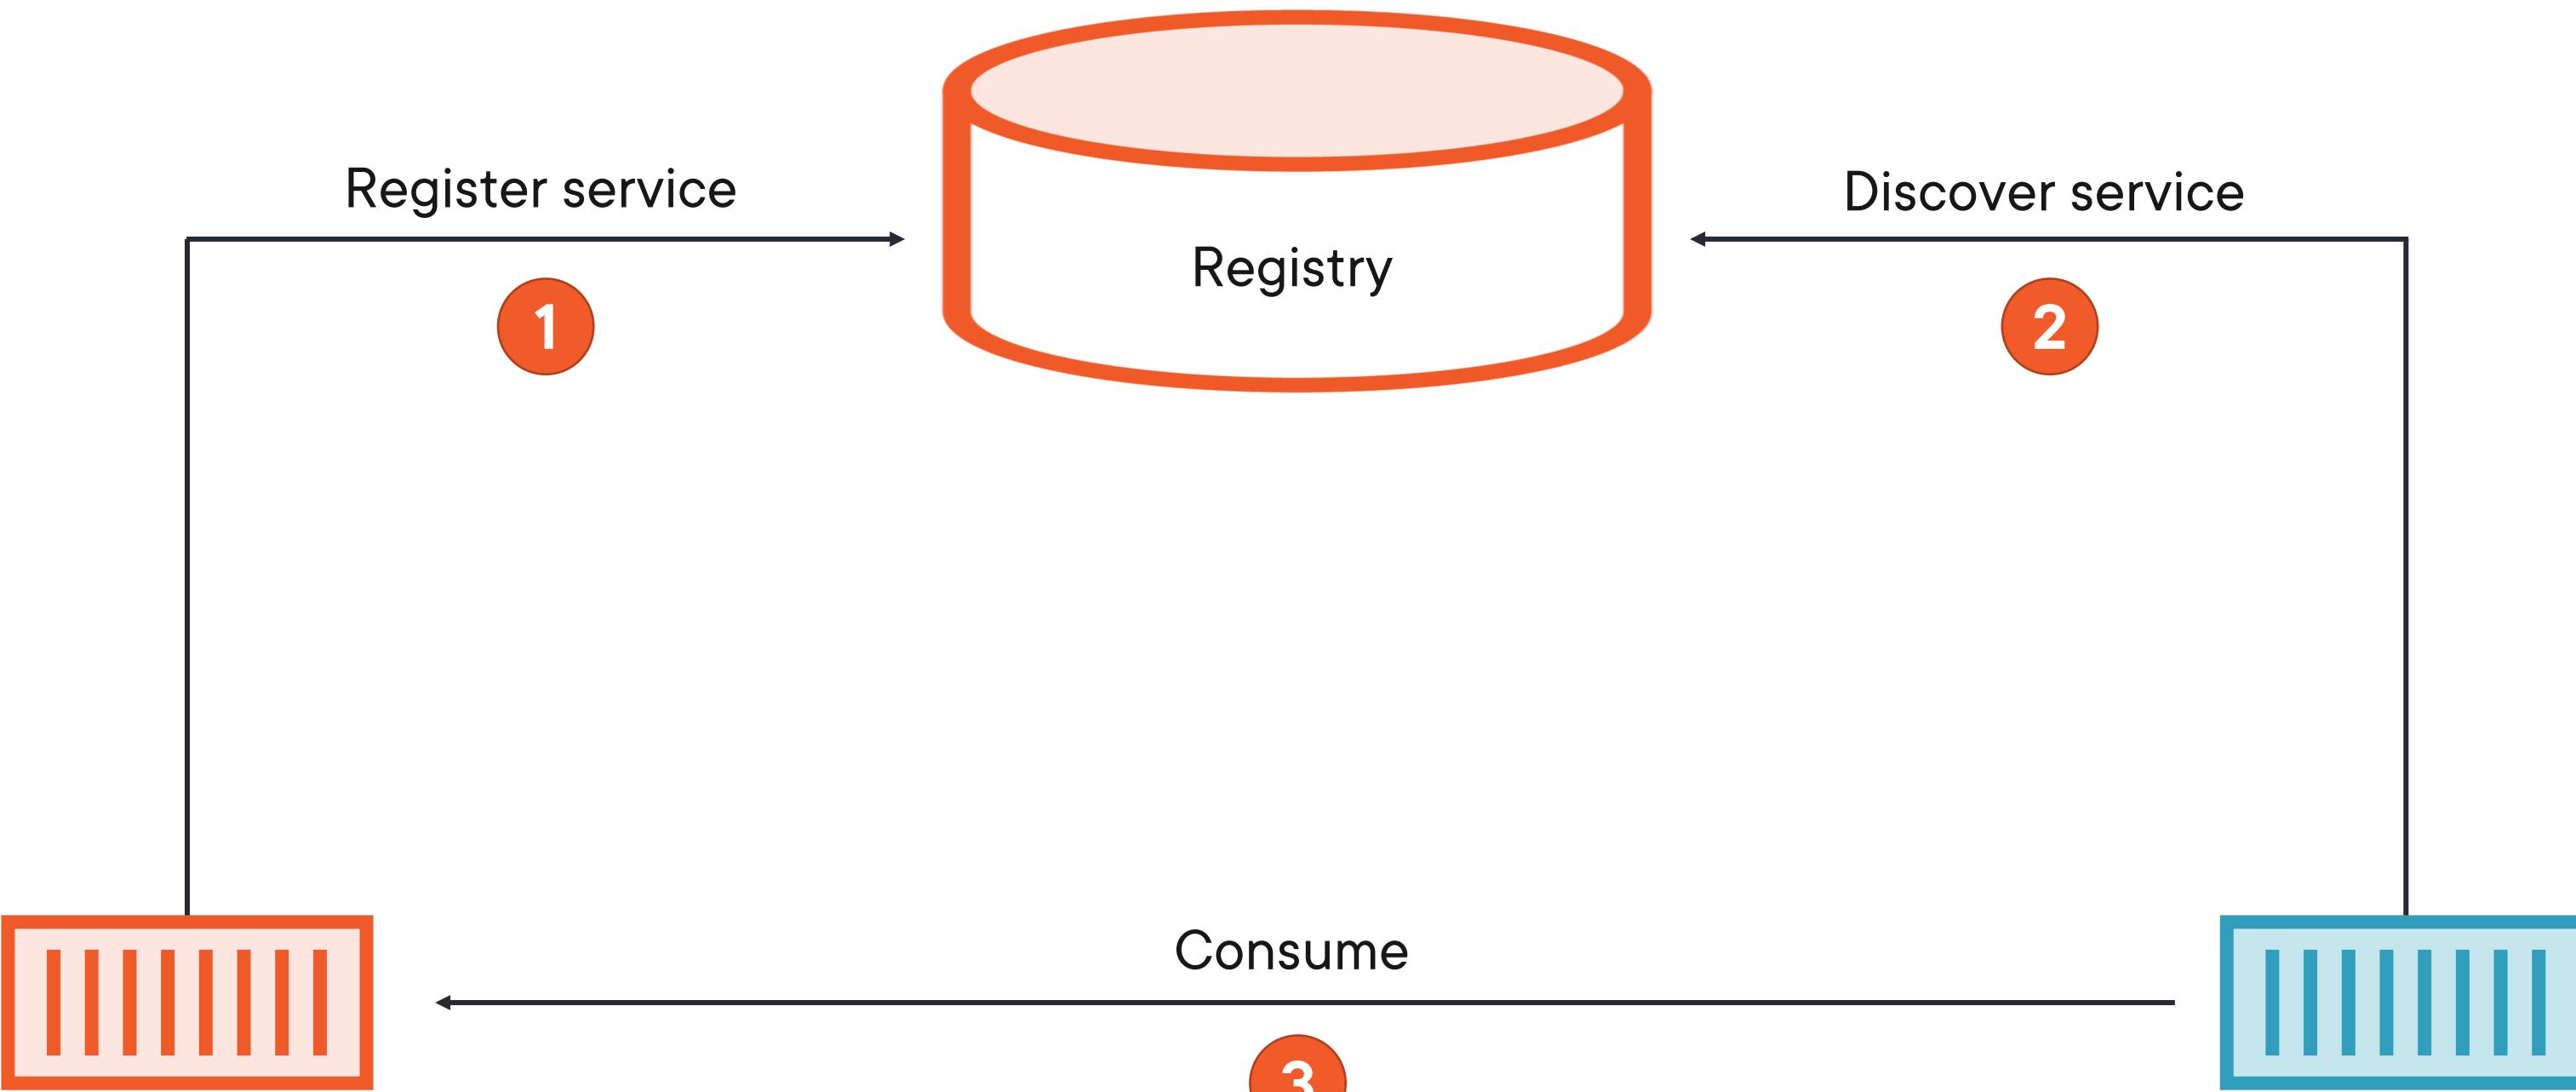

**Finding stuff is hard**

**Don't code it into your apps**

**Service Discovery  
makes it possible**

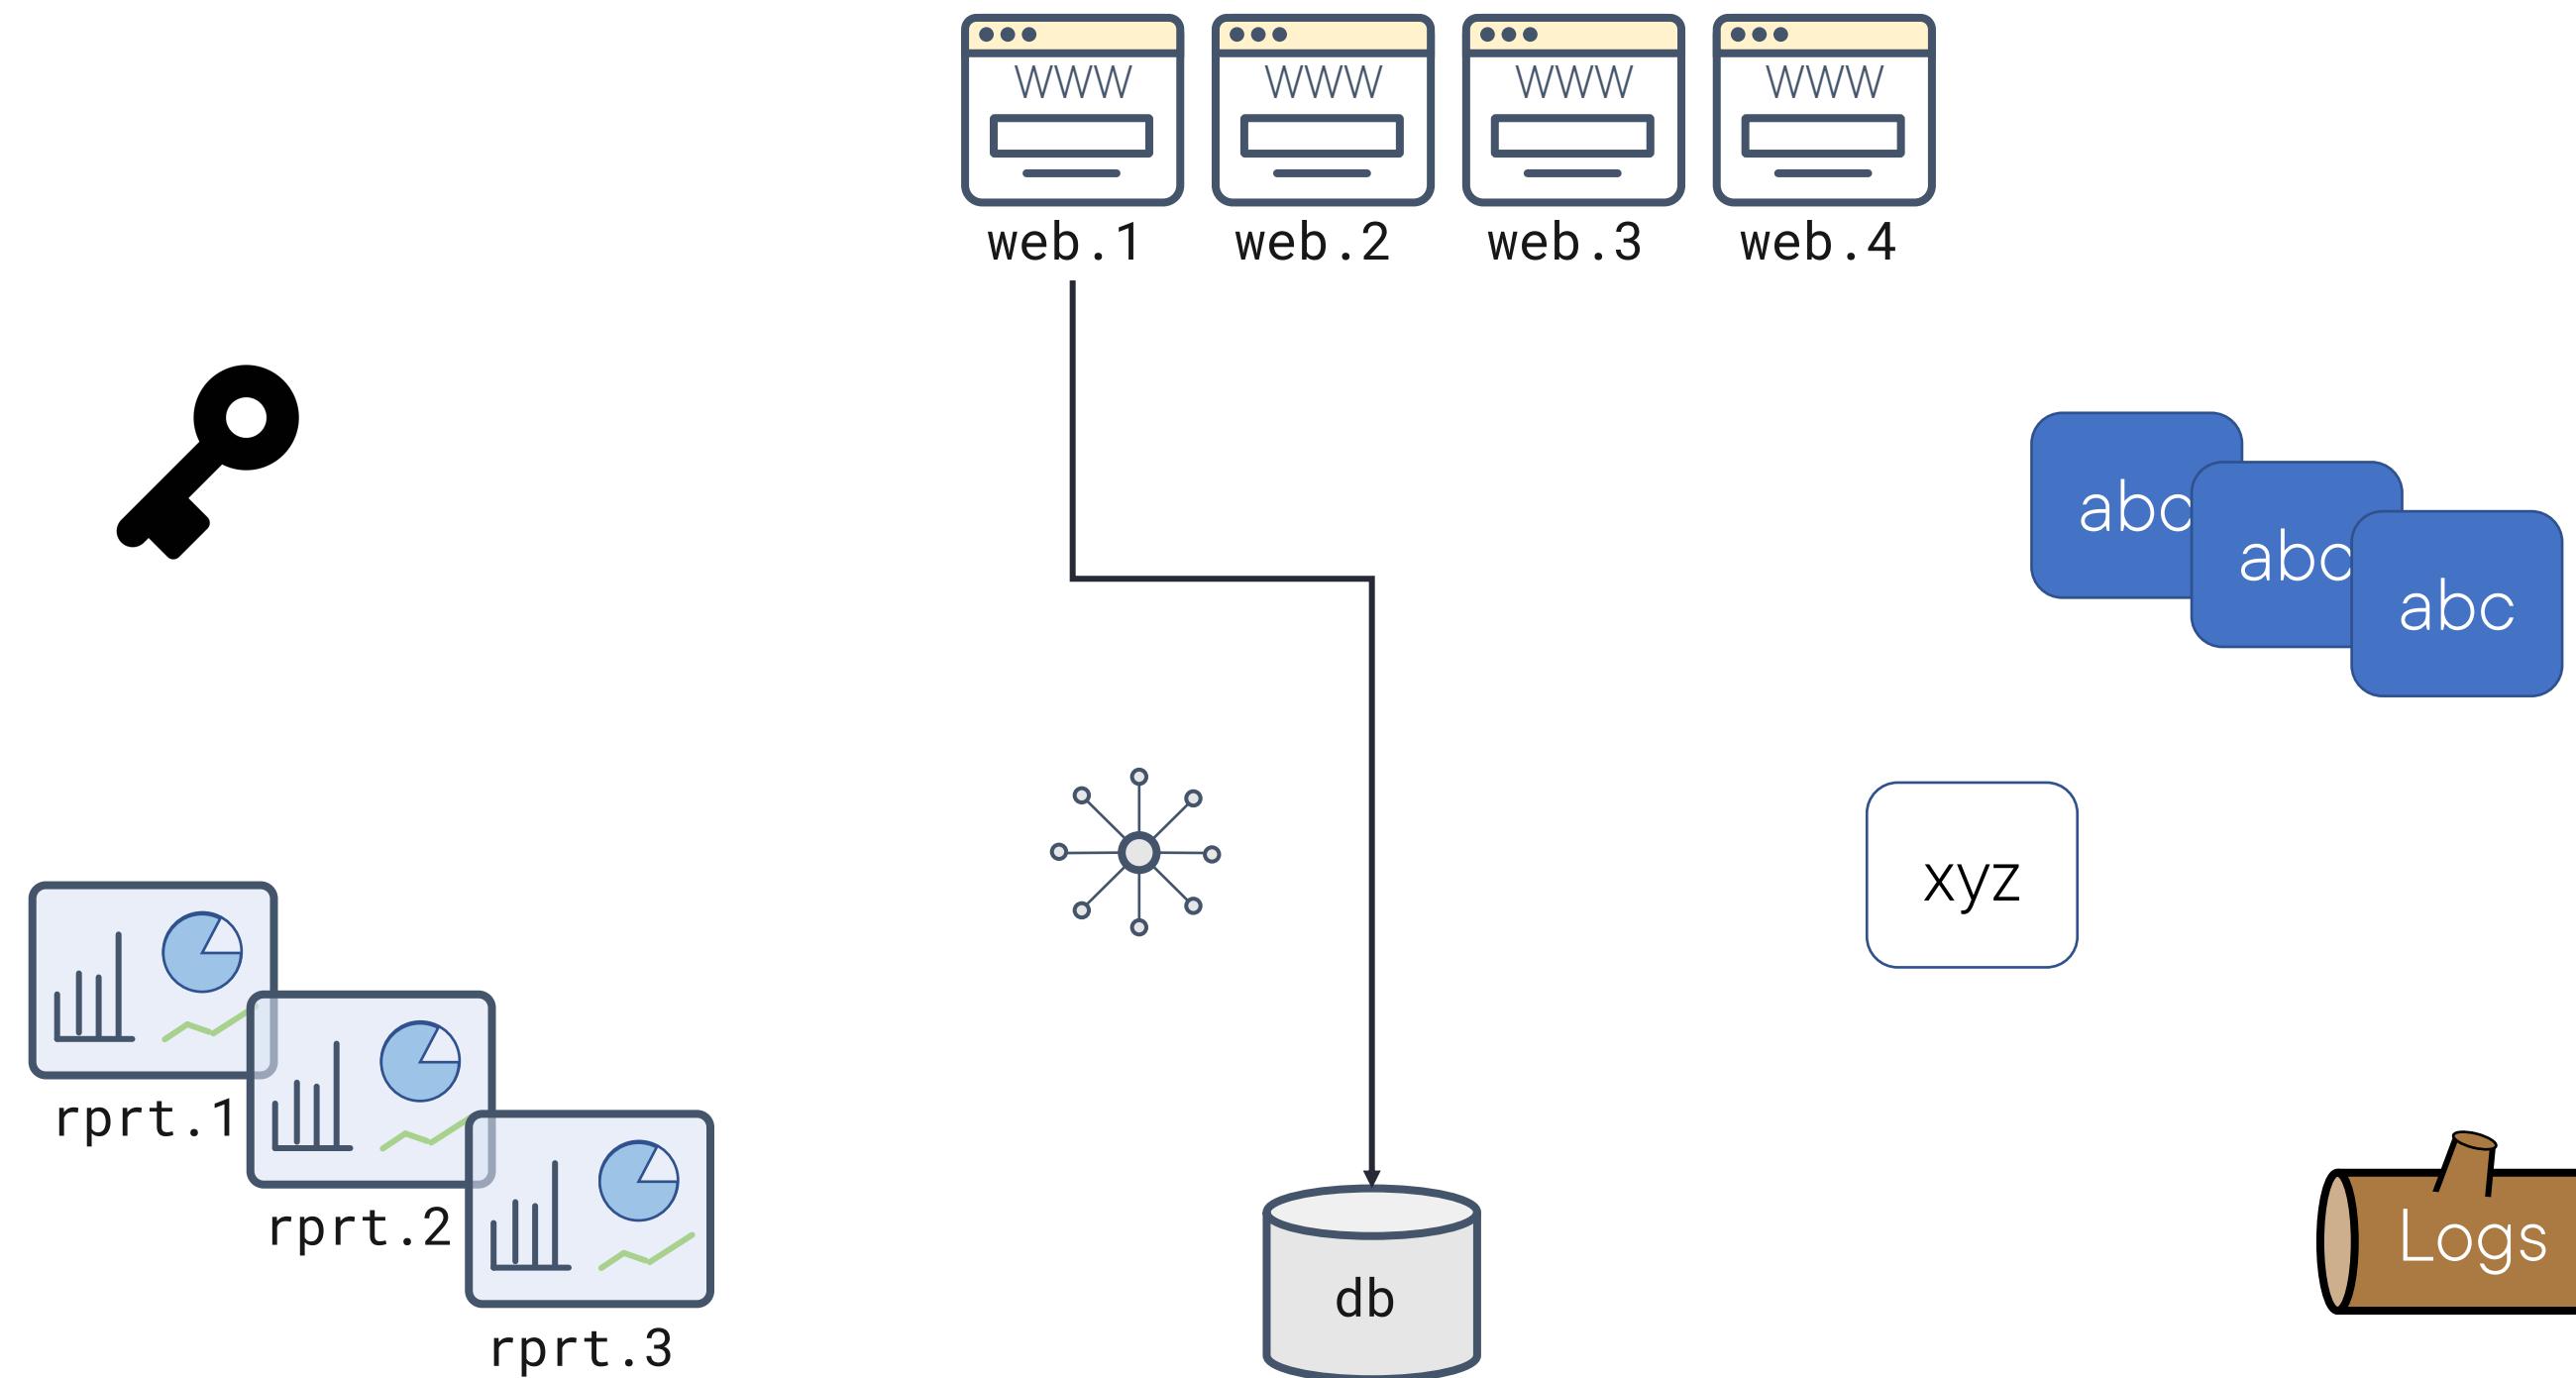

**Part of the infrastructure**

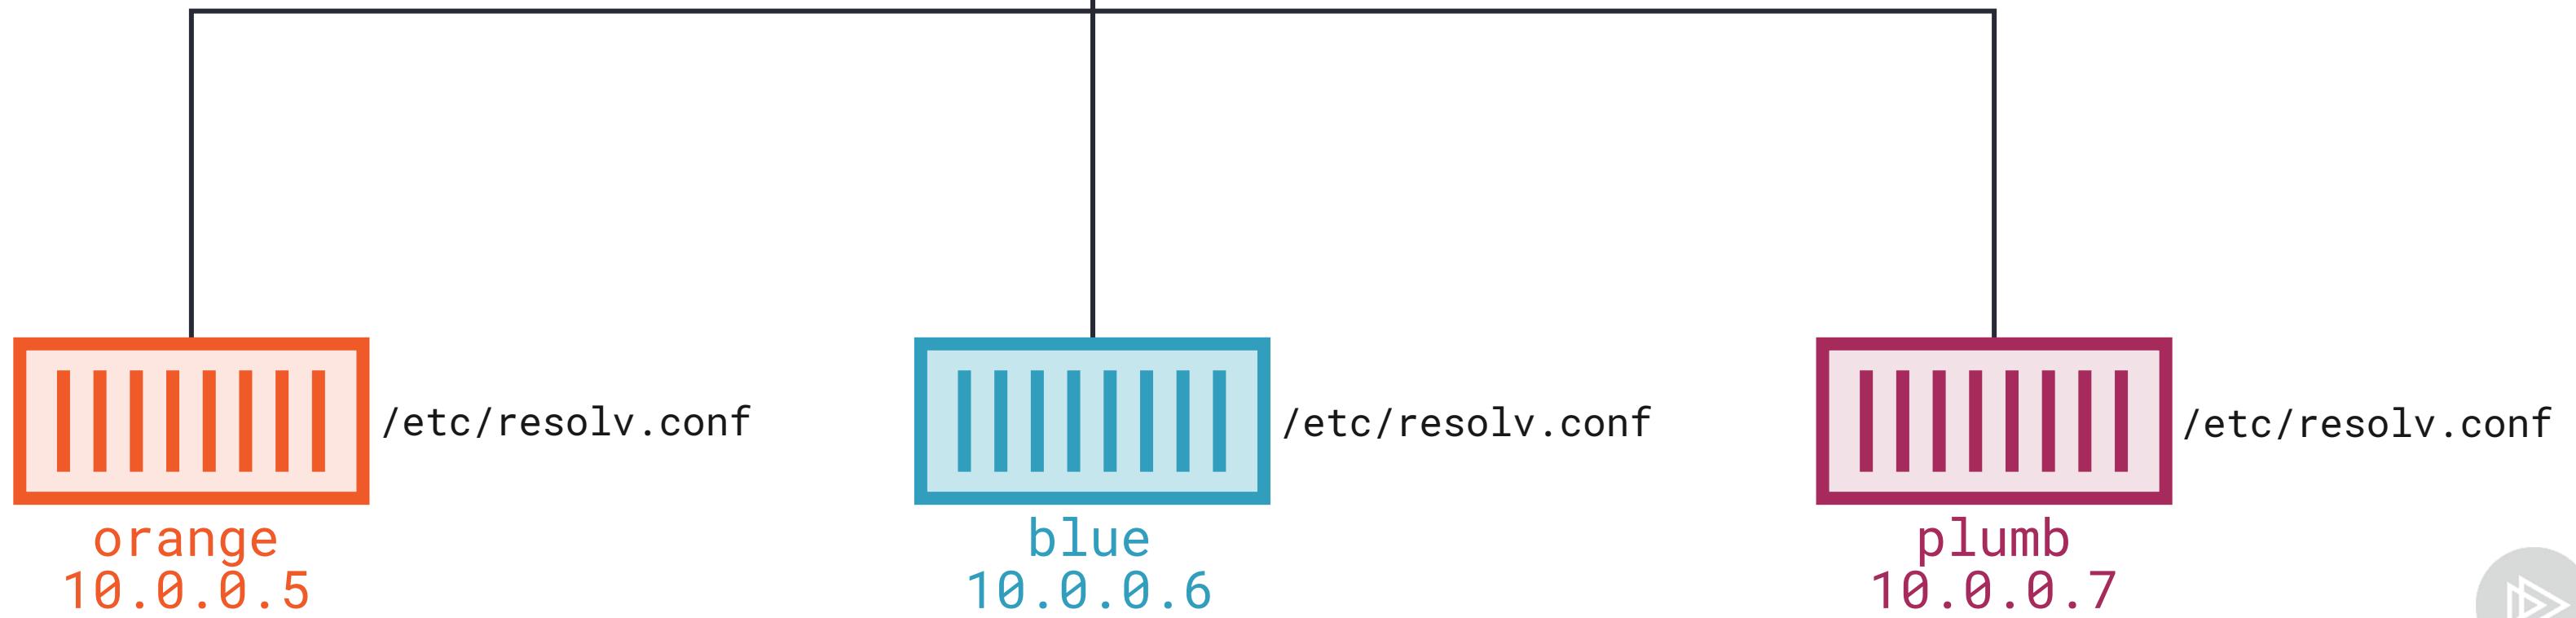

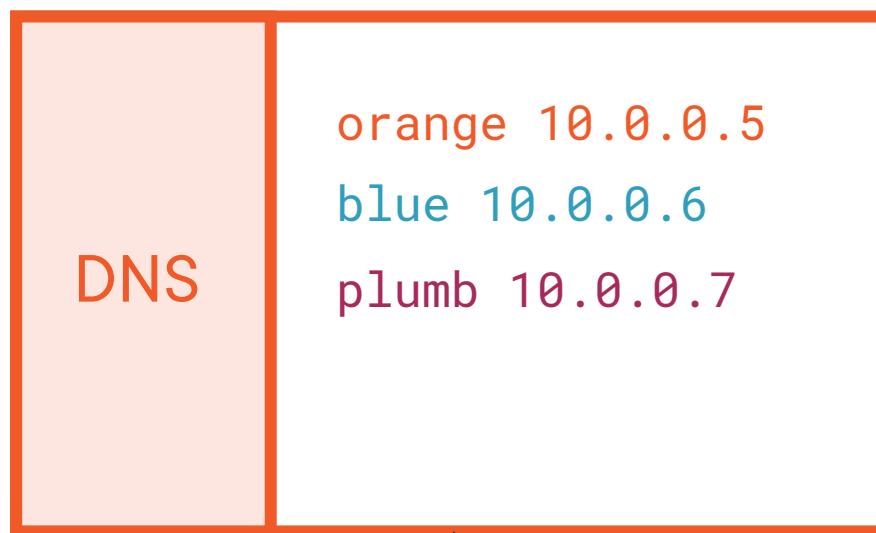

```
$ docker container run \
  --name ctr1 \
  ...
```
