- Recap

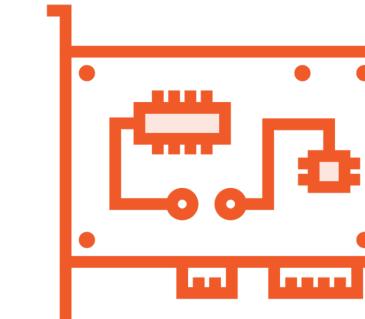

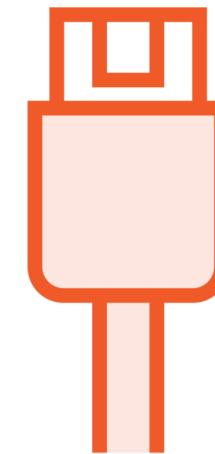

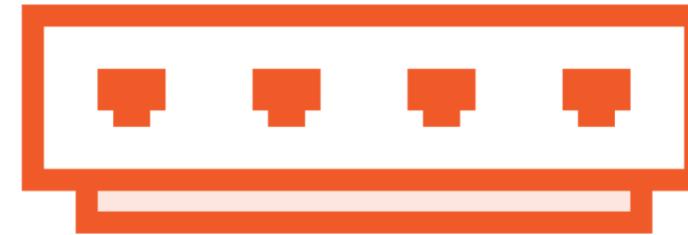

The Role of Container Networks

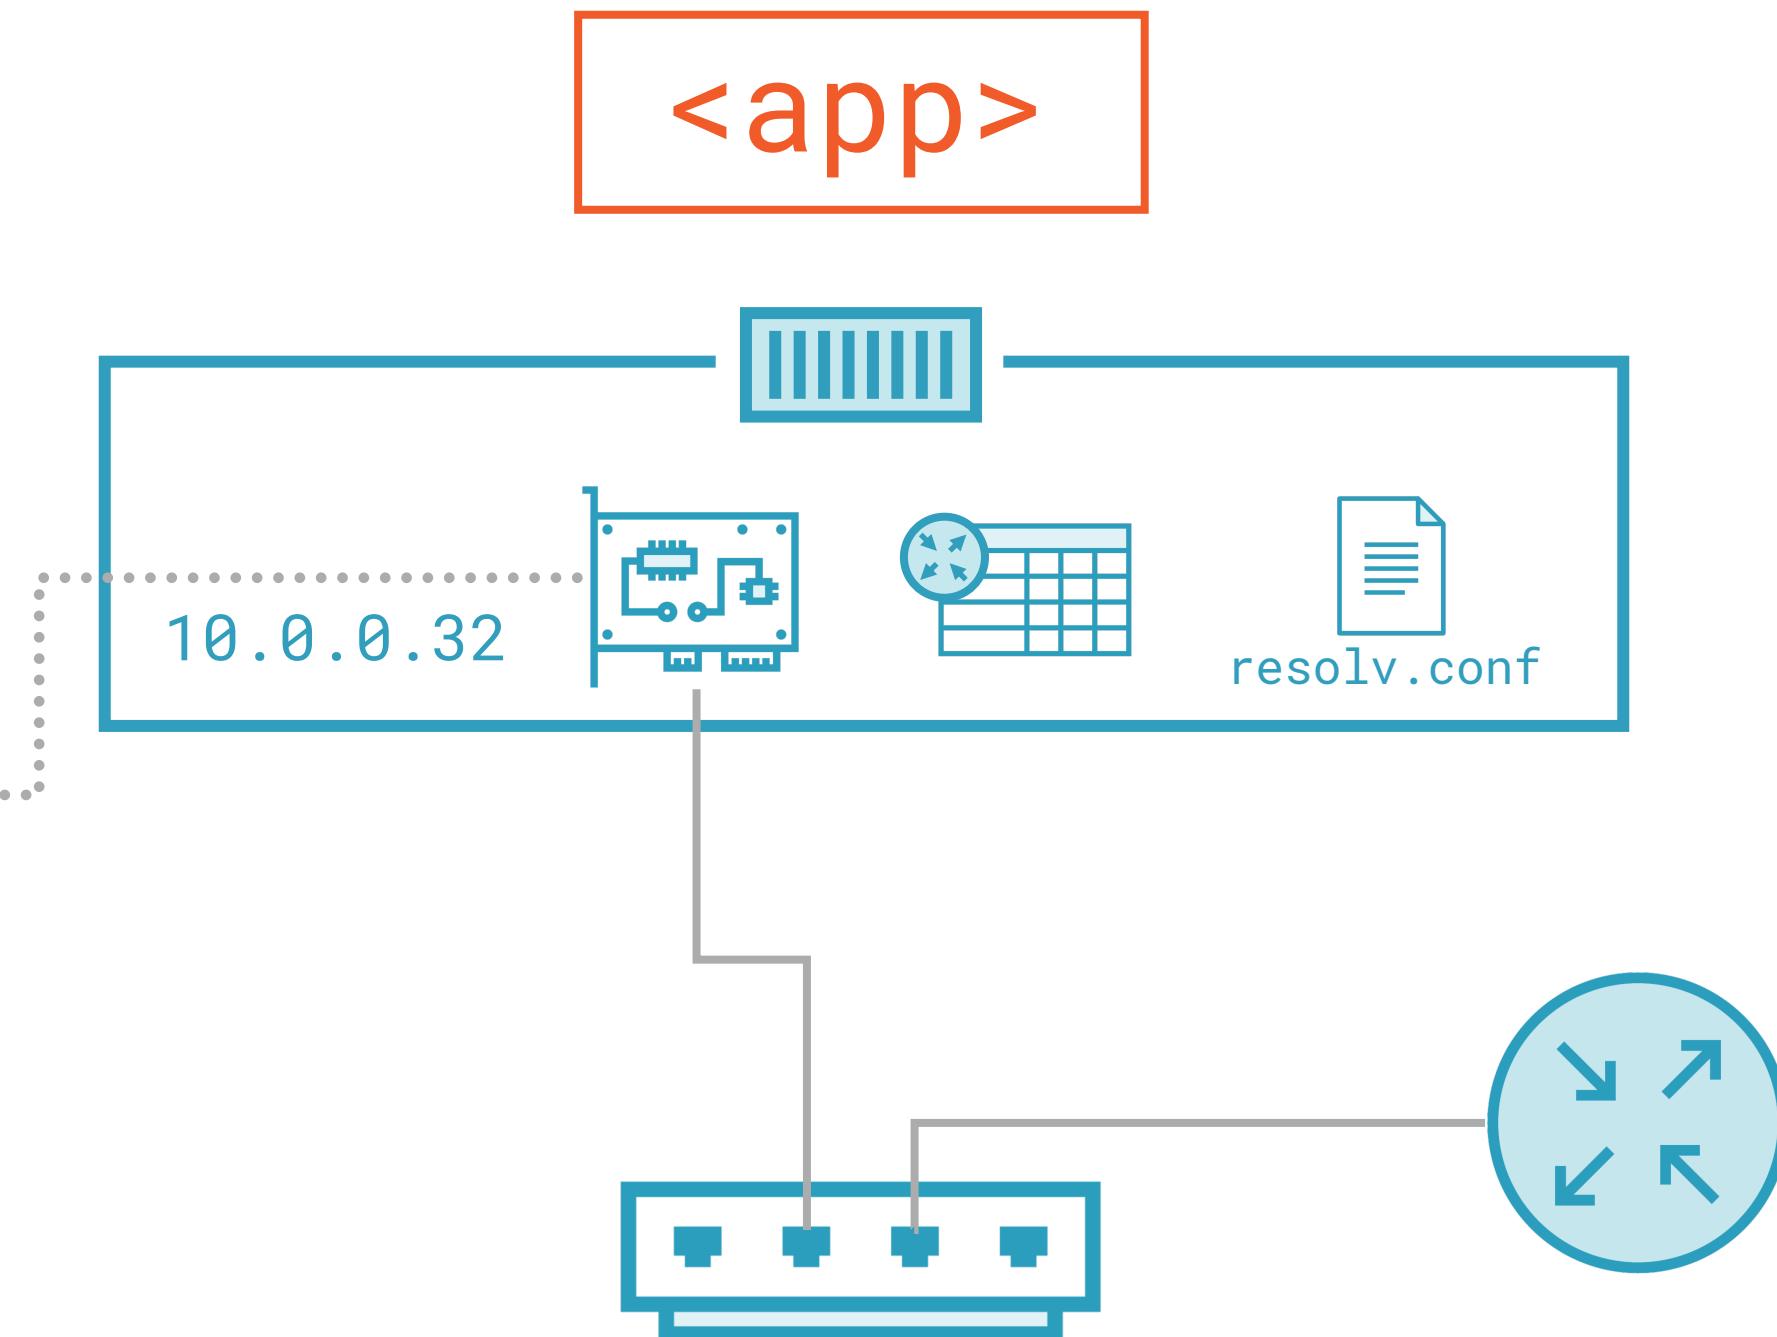

Container Networks...

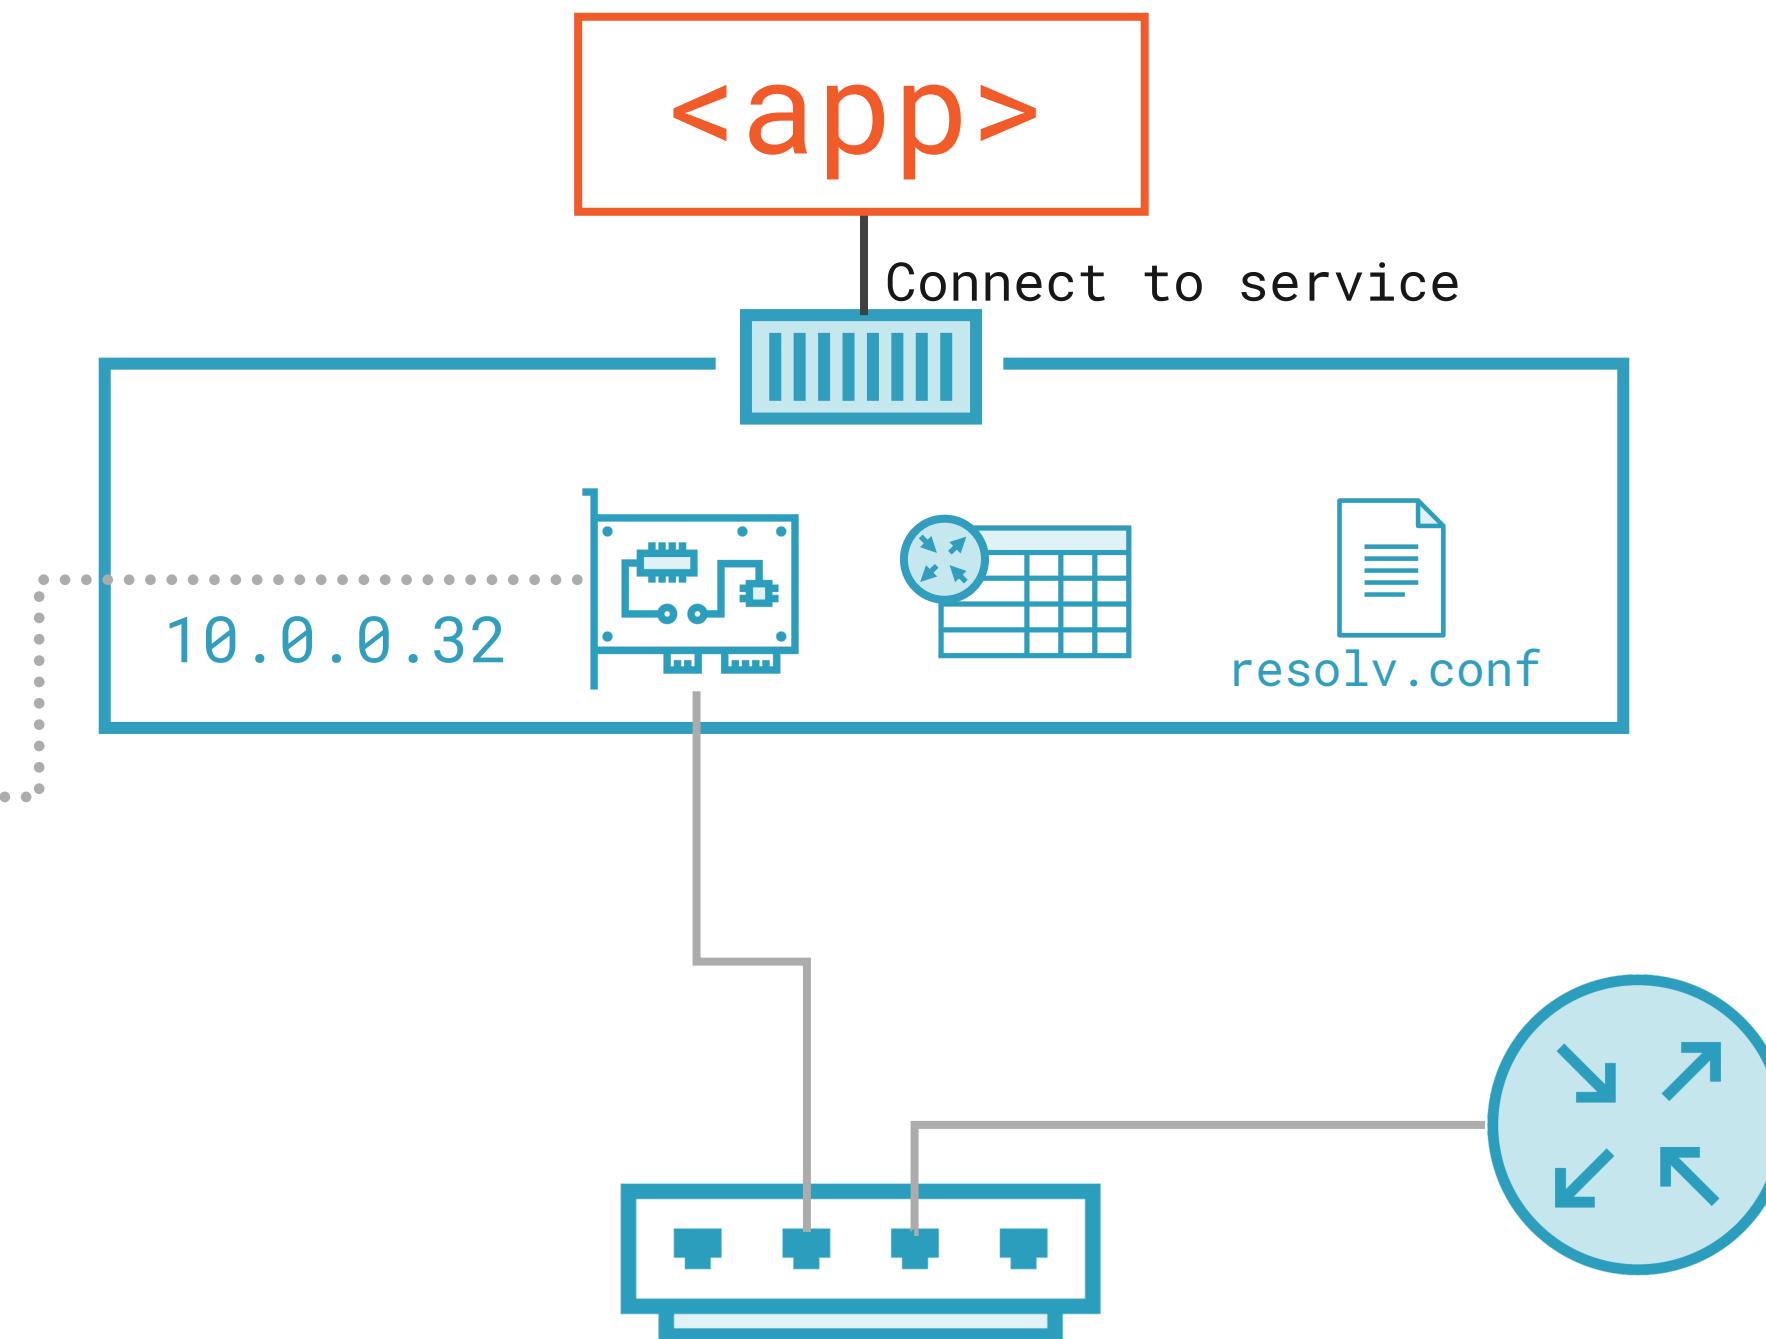

...built from standard networking components.

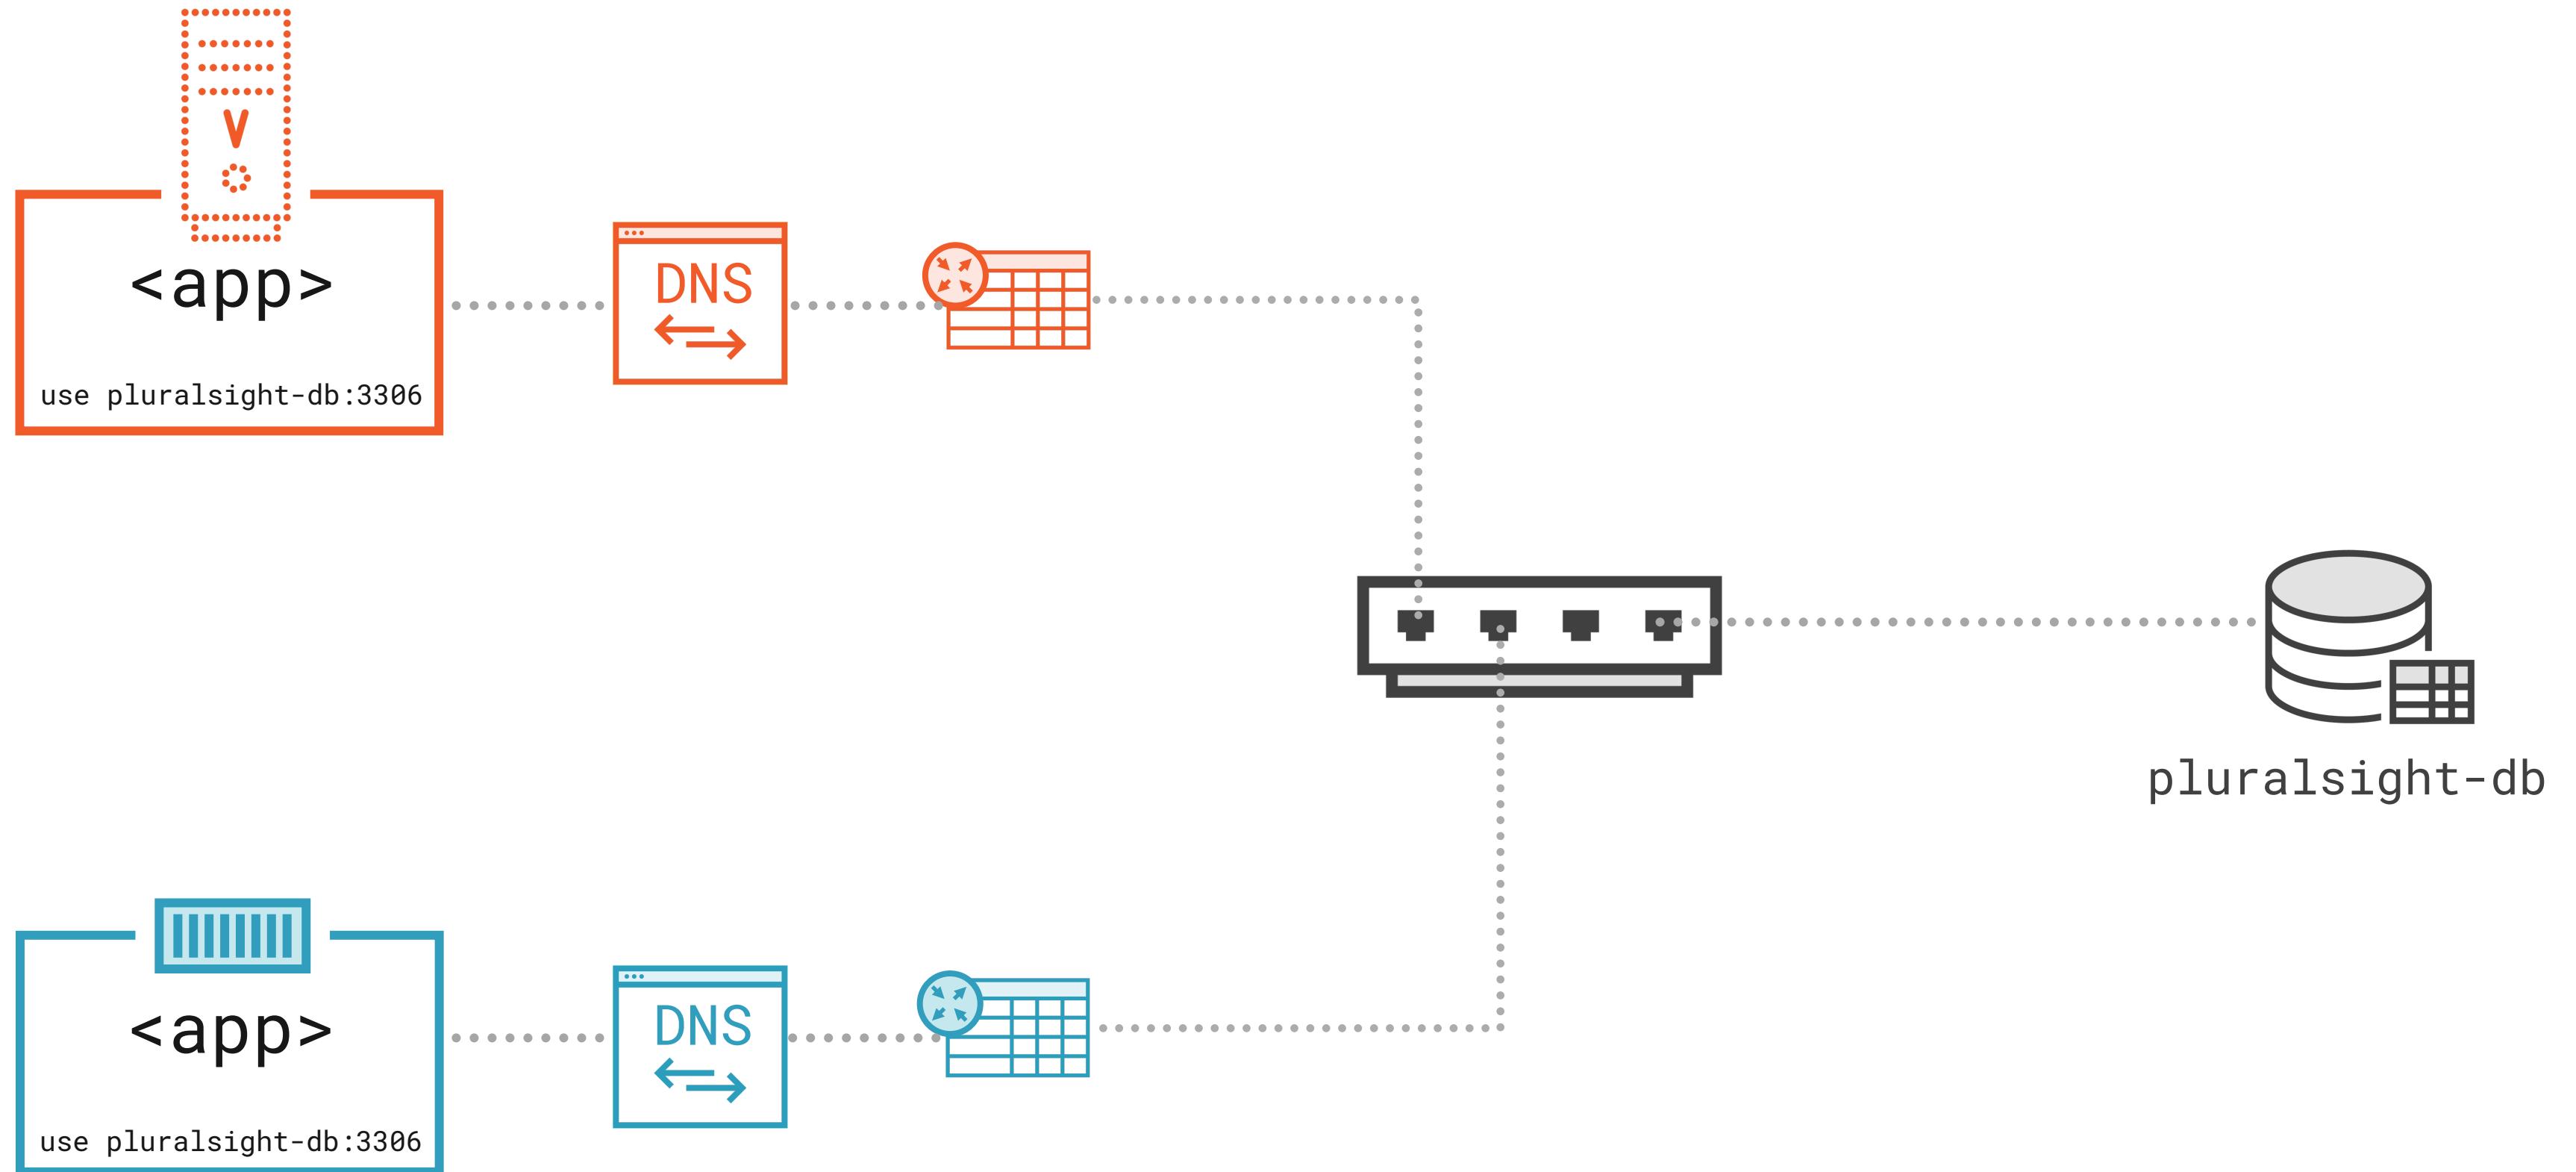

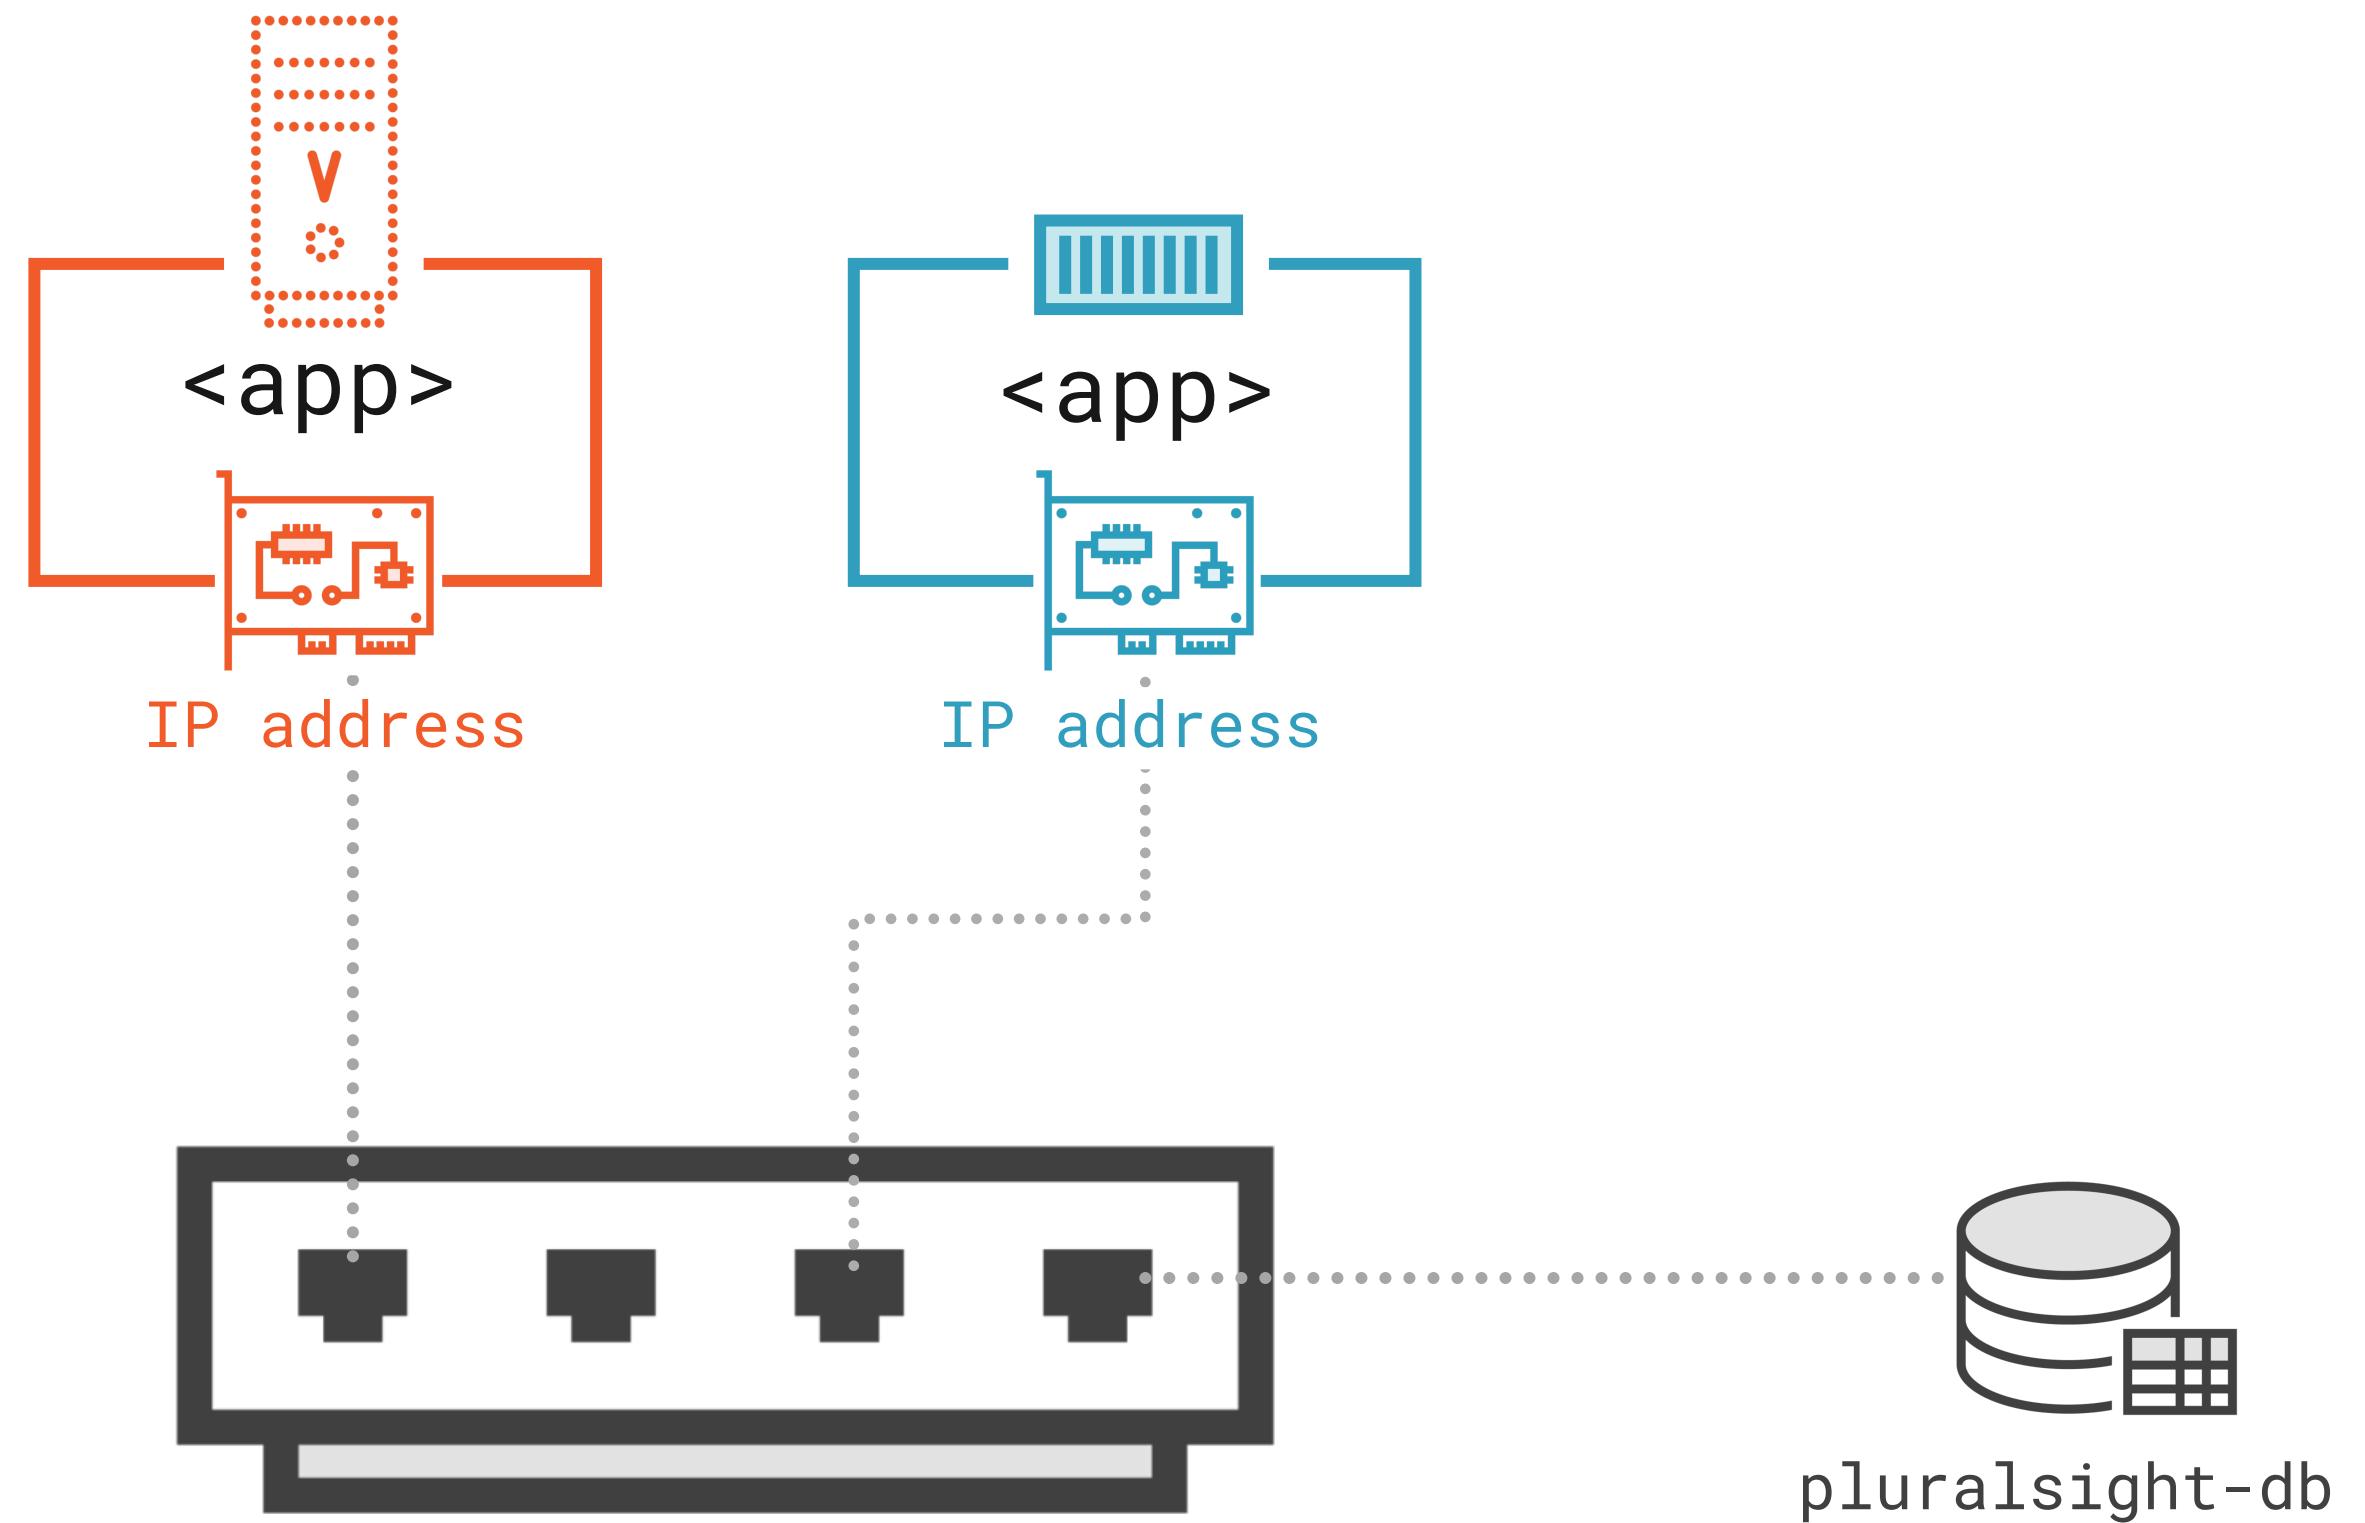

```
IEEE 802.3-x
10/100/1000/10GBASE-T
CSMA/CD
eth0: Link encap:Ethernet
      inet addr: 10.0.0.32
      inet6 addr: fe80::.....
      UP BROADCAST MULTICAST
      ...
```

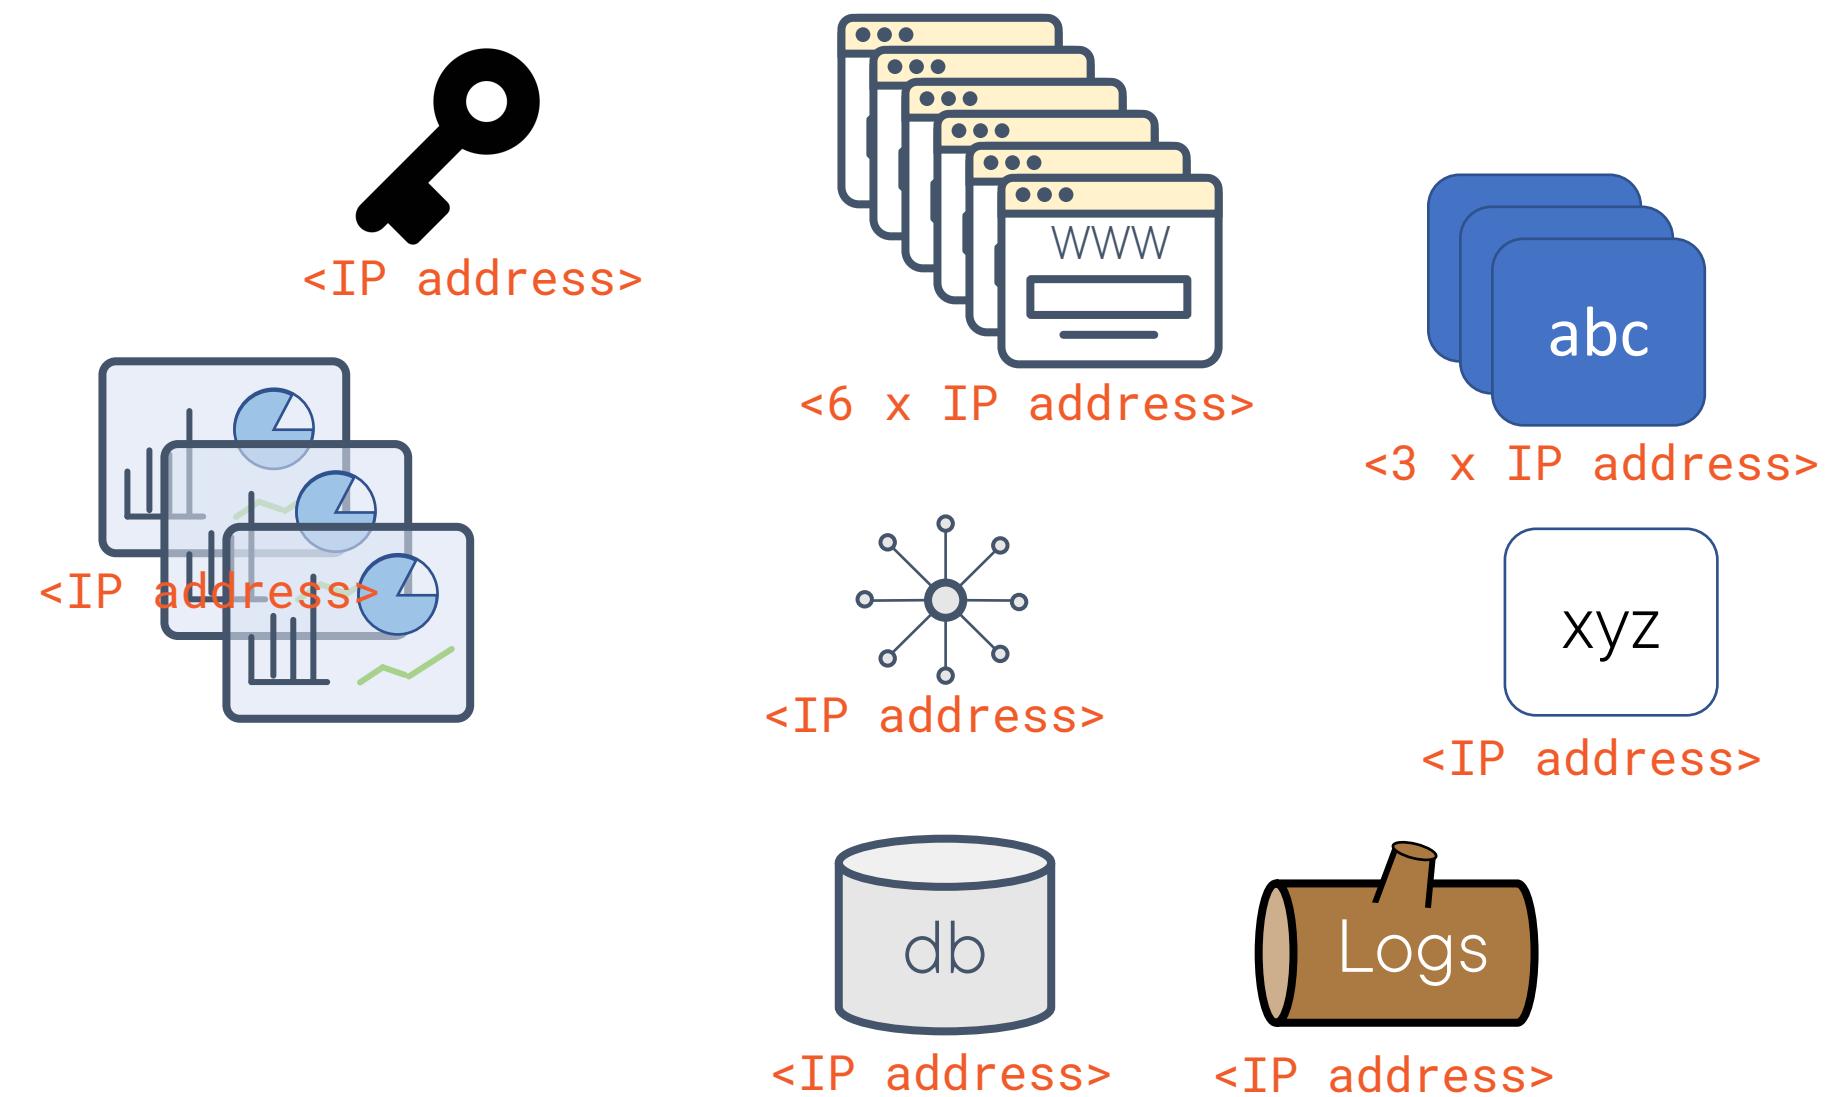

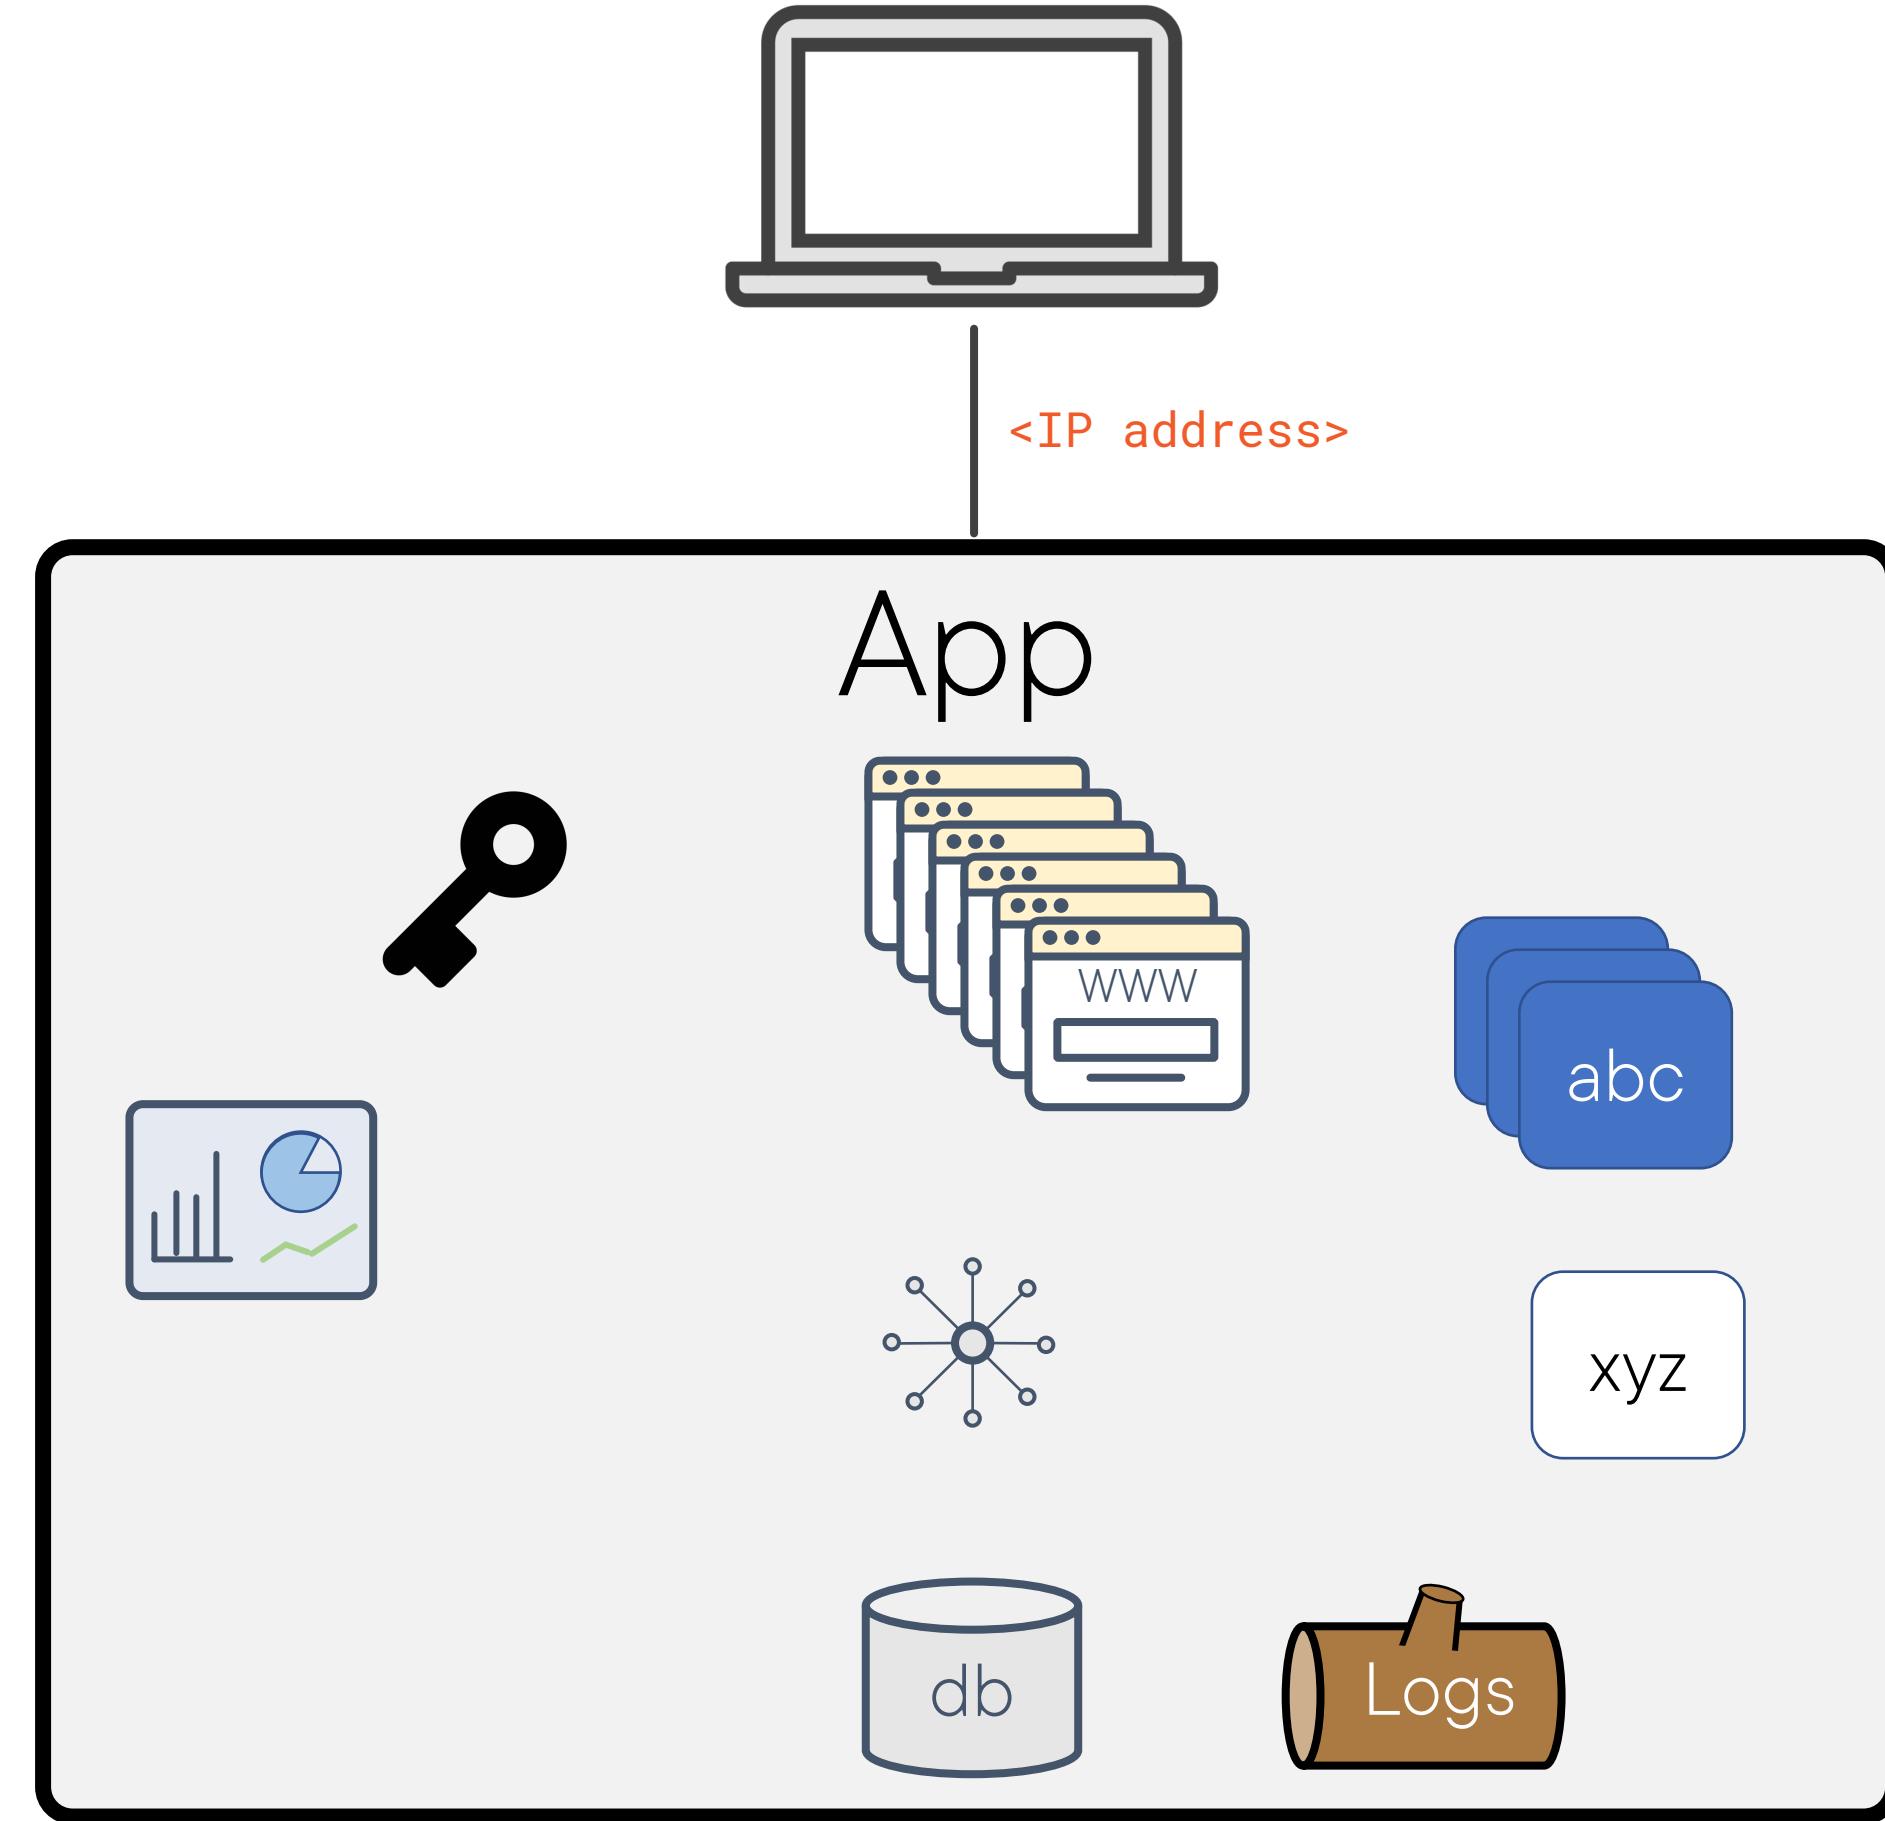

```
